

FEBRUARY 2017

NATIONAL SCHOOL OF BASEBALL & SOFTBALL, LLP NEWSLETTER

Monthly Update

Spring is in the air! Our team is growing and we have taken on 20 new students since the beginning of the year! In January we gave lessons and instruction to 343 students – a new company high. February is tracking at an even higher pace. Our success is our student's success!

[Facebook LIVE](#) has been a theme of February. Keep up with our [Facebook Page](#) to see when Coach Pete and Coach Sarah is LIVE and if your child is part of this live experience.

With high school tryouts coming up at the end of this month, time slots should be opening up. We will have updates in March!

Batter Up! Softball that is...

We are excited to announce a new addition to our team! [Sarah Burke](#) is an I.H.S.A. State Certified Coach. She has four years of experience as both an instructor and a coach. Additionally, Sarah has 12 years of experience as a softball player through the college level. She specializes in softball pitching but also teaches hitting, fielding, catching and the catcher position.

Ralph Ortiz

Student of the Month

Ralph Ortiz is blossoming into one of our best pitching prospects. He is in his freshman year at Montini Catholic High School and also a member of the 16U Pirates of Chicago Travel Team. We have been working with Ralph for about a year and a half. His work ethic is second to none. Whether it is drills, exercises, or workouts, he does not stop. Ralph is living proof of how hard work and believing in the process works!

Less than a year ago Ralph was consistently in the mid to upper 60's. A few weeks ago, during a very short bullpen velocity check, he hit 77mph. Under normal "game situation" pitching that is more like 80mph. We fully expect that within the next month or so, he will hit 80. He is also an outstanding all-around player.

There is for sure much more to come in Ralph's baseball journey. Congratulations Ralphy!

Quick Tip of the Month by Coach Pete
